

MATHS BOOKWORK EXPECTATIONS

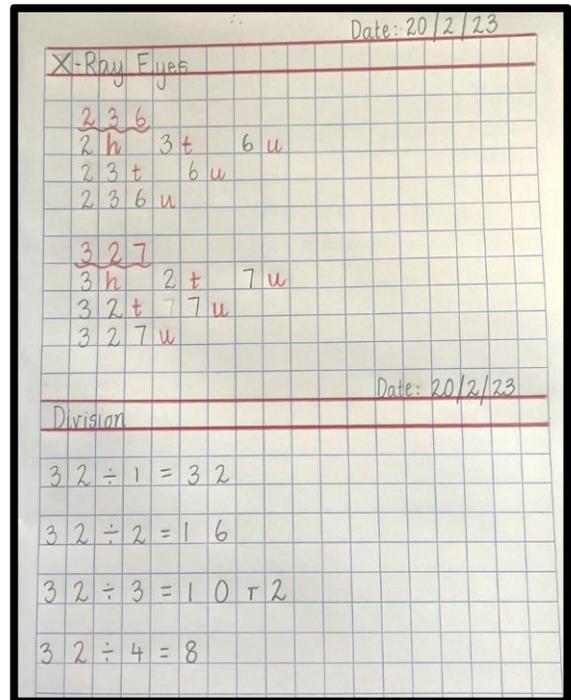

Only use pencil
to write

Use a ruler to
create
straight lines

Use an eraser
to fix errors.
No crossing out.

- Your work must be neat, clear and it must make sense to someone else!
- One digit per box to show the place value.
- Words are written across the boxes. Not one letter per box as it takes up too much space.
- Leave one row of space or rule off between each example.

I, _____, will do my best and my neatest
work in my grid book. Signature: _____
