Join our intensive middle and upper primary years workshop for a full-day immersion in classroom-based strategies to develop strong skills in **Place Value for Years 3-6**.

A full-day intensive workshop with a Top Ten numeracy coach, including a scrumptious catered morning tea and lunch, workshop booklet and all resources/templates required to implement every task. BYO notepad, pen and a small bag of MAB – we will organise the rest!

Led by experienced Top Ten numeracy coach, Mrs Anna Kapnoullas, teachers will be taken on a journey of our highest impact place value tasks and ongoing classroom routines for Years 3-6.

**This full-day workshop equips learning specialists, leaders and classroom teachers with the skills to support students to develop:**

- An understanding of the real value of larger numbers, including constructing, recording, accurately naming and assigning real-life values to these with confidence
- Rounding and estimation skills that will prove critical for the rest of the year to check the reasonableness of answers throughout all operations
- Flexibly renaming numbers within the new Vic 2.0 Curriculum with strong place value foundations
- Critical tasks to introduce negative numbers and prime/composite, including extension-level concepts
- Developing a strong understanding of decimal place values and the power of ten.
