

Multiplicative Thinking Vic 2.0 Workshop

Recommended for Years 3-5

28th of May 2025

Location: Box Hill Golf Club

Time: 9am-3pm on 28/5/2025

Price: \$399 (ex. GST)

Registration form on the next page (please email a scan/photograph of your form to member@toptenresources.com). Strict limit of 40 participants – register this week to secure your place!

Join our **Multiplicative Thinking Workshop for Years 3-5** for a full-day immersion in whole-school and classroom-based strategies to progress students forward from additive thinking.

A full-day intensive workshop with a Top Ten numeracy coach, including a scrumptious catered morning tea and lunch and workshop booklet. BYO notepad and pen – we will organise the rest!

Included in this training, focusing on multiplicative thinking within the new Victorian Curriculum Version 2.0:

- A workable and achievable whole-school approach to multiplication facts
- A year-by-year multiplicative sequence of learning by level and developmental stage
- Assessment options, both diagnostic and formative
- Supportive and efficient strategies for sequencing division
- How to begin the connection to fractions.

Led by experienced Top Ten numeracy coach, Ms Anna Kapnoullas, teachers will be taken on a journey of our highest impact multiplicative thinking tasks and ongoing classroom routines.

The full-day workshop equips learning specialists, leaders and classroom teachers with the skills to support students to develop:

- a deep conceptual understanding of multiplication and division
- a powerful concrete and visual understanding of how and why to partition arrays
- the critical real-life and self-checking skill of estimating reasonably before solving, and
- skills for solving challenging and large real-life multiplicative scenarios, with examples provided, including how to explicitly model a variety of efficient methods that students consistently prefer.

YEARS 3-5 MULTIPLICATIVE THINKING WORKSHOP
