Join our intensive additive thinking workshop for a full-day immersion in classroom-based strategies to build solid and comprehensive foundations in **Prep to Year 2 for Addition and Subtraction.**

A full-day intensive workshop with a Top Ten numeracy coach, including a scrumptious catered morning tea and lunch. BYO notepad, pen and coloured pencils – we will organise the rest!

Led by experienced Top Ten numeracy coach, Mrs Anna Kapnoullas, teachers will be taken on a journey of our highest impact addition and subtraction tasks and ongoing classroom routines for Prep/Foundation to Year 2. **This full-day workshop equips learning specialists, leaders and classroom teachers with the skills to support students to develop:**

- A powerful introduction for students' first experiences with practical addition and subtraction, using engaging real-life contexts and everyday but memorable materials
- Subitising and partitioning to learn all the ways to make and break the numbers 3 to 9
- Multiple exposure and explicit teaching strategies for 10 facts, doubles, near doubles and build/bridge to ten, including how to assist students to explain their strategies
- How to model commutativity using the most powerful (but commonplace) material
- Consolidating and mastering the critical connection between addition and subtraction, particularly to solve difference between / missing parts problems
- A whole-school consistent approach to fluency for early addition and subtraction facts.
